## **PARKING**

In the event free parking facilities are not available within 1320 feet (measured by most direct route on a dedicated vehicular public thoroughfare) of a job site, the individual Employer will provide such facilities and the individual Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the individual Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost hereof such reimbursement to be made on a weekly basis or at the conclusion of the project whichever occurs earlier.

## **ARTICLE 29 TOOLS AND EQUIPMENT**

Employees shall furnish their own tools but shall not furnish, rent, or lease: ladders, miter boxes, electric drills, automotive equipment to be used for the purpose of hauling or delivering individual Employer's materials or equipment, or any kind of power operated machines or saws. Each employee shall arrive on the job with tools in proper condition. To implement this Article, the individual employee shall provide a tool box with a lock.

When the individual Employer shall provide a reasonably secure place for his employees to keep their tools and the individual employee's full kit of working tools is lost by reason of fire or theft while in the individual Employer's care, the individual Employer shall reimburse the employee for such loss up to a maximum of \$500.00. Within two (2) working days from the date of the claim for loss of tools as provided herein, the individual Employer shall acknowledge liability therefore or reject the claim.

Failure on the part of the individual Employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board.

Employee's vehicles shall not be used for transportation of materials or tools owned by or subject to the control of the Employer exceeding 100 pounds.

## ARTICLE 30 TRAVEL AND SUBSISTENCE

1. On all work covered by this Agreement, as described in this Article, the following shall apply effective July 1, 2000. All jobs bid or awarded, or under construction prior to July 1, 2000, shall be completed under Subsistence requirements in effect prior to July 1, 2000.

(a) No subsistence shall be paid on any job or project located less than fifty (50) road miles from any city hall or post office in the following cities:

Eureka	Santa Rosa
Monterey	Visalia
Fresno	Redding
Kings Beach	South Lake Tahoe
Auburn	Chico
Cloverdale	Woodland
Oakland	Jackson
Manteca	San Jose
Merced	

(b) On any job or project located fifty (50) or more road miles from a city hall or post office located in a city listed in paragraph 1(a), subsistence shall be paid at the rate of twenty-five dollars (\$25.00) per day. The individual employer shall pay to each employee covered by this Agreement the amount shown above for each day's work in addition to their regular and overtime wages as subsistence.

(c) The area known as Geysers is a ten dollar (\$10.00) subsistence zone.

(d) Work performed at the Mt. Hamilton Observatory or facilities adjacent thereto shall be a subsistence zone.

2. Exemption to the requirement for payment of subsistence:

The individual employer shall not be required to pay subsistence to employees covered by this Agreement where employees are employed to work:

- (a) At the individual employer's permanent yard;
- (b) At the individual employer's permanent shop;
- (c) On buildings of three (3) stories or less which are a part of a residential construction project located within the subsistence area;

(d) On streets, roadways and utilities, which are a part of a residential construction project of buildings of three (3) stories or less, located within the subsistence area. This exemption does not apply to camps, highways, dams, tunnels or similar heavy engineering projects.

3. On all other work located within the subsistence area when any employee works two (2) or more hours in any one (1) day, he/she shall be paid the subsistence allowance for that day. Such pay shall be paid to employees by separate check.

4. The individual employer's daily charge for board and lodging on jobs where subsistence is paid shall not exceed the daily subsistence allowance paid the employee.

5. Such payments for subsistence shall be excluded from the wages of the employee for the purpose of the Fair Labor Standards Act and shall be paid to such employee by check weekly and identified separately therein. Subsistence is defined as reimbursement for food, lodging and living expenses out of town and is not a wage or reimbursement for time spent going to or from the job site.

6. If an employee is transported by the individual employer from a permanent yard or shop located in a free zone to work in a subsistence zone and transported back to the same permanent yard or shop in a free zone, all on the same day, on the individual employer's time, he shall not receive subsistence.

7. Both parties agree to meet and confer relative to subsistence where extremely adverse conditions exist with respect to job site access.

Any employee may refuse, without penalty, work requiring an overnight stay.
